STOP
NO SMOKING ZONE

November 12, 2015, HUD Secretary Julian Castro announced a proposed rule to make the public housing properties entirely smoke-free.

This policy will prohibit lit tobacco products in all living units, indoor common areas, PHA administrative office buildings and will extend to all outdoor areas up to 25 feet from the housing and administrative buildings.

If and/or when this rule becomes policy, all PHAs must implement the policy no later than 18 months from the effective date of the final rule.

GHA currently works with a local service provider to assist any resident that wants to stop smoking.

If you are serious about ending your addiction to cigarettes, please contact Odelia Williams at (409) 370-3073 to pre-register for upcoming Smoking Cessation classes.

We need at least 7 people to start a class. All classes are free of charge and transportation is provided to the class site.
