## **HURRICANE SEASON IS HERE!!**

Recently, some residents received hurricane evacuation forms to complete and return to the office. If you received one and have not returned it to the office, please do so immediately. For everyone else, if you have any changes to your emergency information within the last year please provide the office with the update. We use the information to aid us in preparing for possible hurricane evacuations.

## FRIENDLY REMINDERS

When walking your dogs on the property, please make sure that you are taking your waste bags with you and cleaning up after your dog. Violation of the posted Animal Excrement Law subjects the owner to a fine from \$10 to \$50 per violation.

Please refrain from feeding any stray animals. Please do not feed birds on GHA property.

GHA would like all residents to be aware of solicitors. Mainly be aware of home health companies. To receive services from home health, you will have to get prior approval from your doctor. Reputable home health companies will not give you free offers of cash, gifts or food. If you sign up with these companies and they are charging your Medicaid/Medicare, you may be denied legitimate services due to over-billing.

If you have concerns or questions please call Odelia in  
Resident Services at
