ORR #: 20121203-001

Dear Ms. Purgason:

This is a written request, pursuant to the Texas Public Information Act (the "Act"), Chapter 552 of the Texas Government Code as amended, application is hereby made upon you as custodian of information for the Galveston Housing Authority to produce:

**Two separate articles/editorials have appeared in this weeks Daily News regarding the budget of the first two sites under the redevelopment plan. References from these articles have mentioned the proposed costs, GHA's portion, the fact that GHA does not have that portion of money on hand, and a desire to apply previously made expenses against the proposed budget, but no mention was made of what has been spent to date.**

**Specifically I am requesting an itemized summary of all expenses that have already been made in regards to redevelopment (the approved rebuilding plan submitted to GLO).**

I would prefer to receive the information in electronic, i.e. digital format, such as PDF or XLS files, when possible.

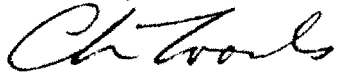

If your agency does not maintain these public records, please let me know who does and include the proper custodian's name and address.

As provided by the Act, I will expect your response within ten business (10) days. If you believe this information is not public, I ask that you immediately notify me and then seek a formal decision from the Texas Attorney General not later than ten (10) business days from your receipt of this request, as required by the Act.

Disclosure of this information is in the public interest because providing a copy of the information primarily benefits the general public. I therefore request a waiver of all fees and charges pursuant to Section 552.267 of the Act.

Thank you for your assistance.

Sincerely,

A handwritten signature in cursive script, appearing to read "Chris Toombs".

Chris Toombs
