Mona Purgason
Interim Director & Custodian of Records
Galveston Housing Authority

Via email: dedasst@ghatx.org

Dear Ms. Purgason:

Pursuant to the Texas Public Information Act, I request the following public records:

- Copies of all documents including internal and external email correspondence related to transactions between Galveston Housing Authority and Beacon Place and/or Woman Inc.

Specifically, this request seeks:

- Any records pertaining to investigations, reviews or other procedures meant to assess standards and/or practices and policies existing at Beacon Place and/or Woman Inc. facilities or in its programs.
- Any records pertaining to complaints received by GHA regarding Beacon Place and/or Woman Inc.
- All records of inspections conducted by GHA at Beacon Place and/or Woman Inc. for the years 2009-2012.

I do not intend to overwhelm your staff with an overly broad request, so please feel free to contact me at 409-683-5206 or michael.smith@galvnews.com to discuss amending it if doing so might serve both our interests.

Thank you as always for your time and attention.

Sincerely,

Michael A. Smith
