B.2 New Activities**

FYB July 1, 2025

**GHA plans to undertake new activities related to the following in the upcoming
GHA Fiscal Year:**

Mixed Finance Modernization or Development

GHA, with help from its developer MBS and grant administrator, GrantWorks, will continue close out of the construction process and grant for Oleanders at Broadway, a mixed finance project(s) consisting of replacement public housing units. The development consists of 348 units of which 174 units are Public Housing, 87 are LIHTC, and 87 are market rate units. This development has converted units to RAD.

GHA may apply for disaster related grant opportunities for repairs and updates at The Cedars, The Villas, and The Oleanders that will take place over the next two fiscal years.

GHA may also contemplate redeveloping other sites that may include 4700 Broadway, as well as contemplate releasing a rolling RFP/RFQ for development partners for projects of interest. GHA may seek grant opportunities to modernize/renovate units within its traditional and mixed income portfolio.

Demolition and/or Disposition

GHA may seek approval of a disposition application for the property located at 4700 Broadway, Galveston, Texas. This activity may begin in one fiscal year and progress into the next fiscal year.

GHA may seek landmark designations (local/State/Federal) for historic properties owned by GHA.

Designated Housing for Elderly and/or Disabled Families

Prior to Hurricane Ike in 2008, Holland House and Gulf Breeze were limited to elderly and disabled populations. These developments lost this designation following the storm because of the shortage of affordable housing available in Galveston. In the years since the hurricane, GHA has replaced affordable housing units. HUD granted the elderly and disabled designation for Holland House and Gulf Breeze. GHA will likely continue the process to maintain the elderly/disabled designation for Gulf Breeze and Holland House.

Conversion of Public Housing to Project-Based Assistance under RAD

Units at The Oleanders at Broadway were converted to RAD.

GHA may explore opportunities to convert public housing units to RAD.

Project Based Vouchers

GHA may utilize project based vouchers to subsidize the units in new development projects.

Units with Approved Vacancies for Modernization

GHA utilizes capital funds to conduct modernization activities at the current public housing sites at Gulf Breeze, Holland House, Oaks I – IV and Scattered Sites.

GHA may apply for disaster related grant opportunities for repairs and upgrades at Gulf Breeze and Holland House that will take place over the next two fiscal years.
